### **INTRODUCTION: LEARNING LANGUAGE PROGRAM**

India is a diverse nation with largest population on Earth with various languages, cultures and dialects with an enormous youth population in the entire world. If we look at the scenario of youths in India, it has become the responsibility of society to inculcate some extraordinary skills in them which will assist them for getting a better job and some extra career prospects in future.

### **THE PROGRAM**

Keeping the need of the hour in mind Thinkers Foundation, a Goa-based Non-government Organization has developed a six-month-long Learning Multiple Languages Course for the students of Higher Secondary, Graduate and postgraduate institutes of the India.

The program intends to address those students, who don't have access to professional communication skill classes to prepare for competitive examinations. Further it is also for those who due to lack of time, finance, high fee structure and due absence competitive preparation tuition class cannot get much access of personality development.

These issues somehow affect many individuals in their academics as well as in preparation of state and central government exams and interviews.

Lack of confidence in communication among many individuals remains a dream to go abroad for further studies as well as for a better job. Despite having knowledge and experience one individual hesitate to apply for Multi-National Companies due to a gap of communication skills.

So, Thinkers Foundation has taken the responsibility to fill the gap of knowledge and convert it into confidence in speaking in public.

## IT IS AGREED BY AND BETWEEN THE PARTIES AS FOLLOWS

### 1. PURPOSE OF THE PROGRAM
