4	Deliberations were held on faculty and student exchange programmes under the Lead College Scheme. It was resolved to enhance participation from all streams and promote academic collaboration with partner institutions.	A total of four workshops were conducted under the Lead College Scheme for the successful implementation of faculty and student exchange programmes.
5	The committee discussed the organization of an Orientation and Sensitization Programme on NEP 2020. It was resolved to organize the programme for faculty members during the current academic year. The responsibility for initiating the collaboration process and completing the required documentation was assigned to Dr. A. A. Patravale.	An online orientation/sensitization program was held for faculty from Jan 5 to 13, 2026 in collaboration with UGC-MMTTC.
6	It was resolved to seek permission from the parent institution for seed money to support faculty and student research projects. The Committee directed the Convener, Dr. S. V. Mulik, to submit a proposal to the parent institution for approval.	A formal proposal for seed money was prepared and submitted to the parent institution.
7	The Committee reviewed the current status of research activities, including publications and patents. The RDC Committee directed departments to enhance their research output.	Research status was reviewed; departments were encouraged to increase intellectual property output.
8	The Committee reviewed the curricular and co-curricular activities conducted and those pending across various departments and committees. Necessary instructions were issued to ensure the timely completion of all planned activities. The responsibility for monitoring the same was assigned to the IQAC.	Instructions were issued to all committees to complete pending tasks as per the calendar.
