A One-Day Workshop Report On ☯ “Cyber Hygiene Awareness” ☯

The Department of Computer Science, D.K.A.S.C. College, organized a One Day Workshop on “**Cyber Hygiene Awareness**” to promote awareness about safe and responsible use of digital technology among students. The primary objective of this workshop was to educate participants about online security threats, safe internet practices, and the importance of maintaining personal data privacy in the digital era.

The workshop commenced with an inaugural session presided over by **Prof. (Dr.) S. K. Khade**, Principal of D.K.A.S.C. College. In his address, he emphasized the growing significance of cyber security and the need for awareness among young learners. The session was followed by a keynote address by **Dr. Smita V. Katkar**, Cyber Security Expert, and Assistant Professor at Shivaji University, Kolhapur, who discussed common cyber threats such as phishing, malware, password attacks, and social engineering.

During the technical session, the resource person demonstrated practical tips on:

- Creating strong and secure passwords

- Identifying fake websites and phishing emails
- Safe use of social media platforms
- Protecting personal data and digital identity
- Best practices for online transactions and digital payments

Students actively participated in the interactive Q&A session, sharing their experiences and clarifying doubts regarding cyber fraud and digital safety measures. The workshop helped the participants understand the significance of responsible online behavior and the concept of “**Cyber Hygiene**” as an everyday practice.

The event concluded with a vote of thanks proposed by **Mr. Chetan Patil**, who expressed gratitude to the management, principal, resource person, and all participants for their support and active involvement. Certificates of participation were distributed to all attendees.

Overall, the workshop proved to be a great success, significantly enhancing the cyber awareness and digital responsibility among students of the college.
