College, Ichalkaranji.

Activity Report 2025-26

Department : Chemistry

Programme : "Magical Experiment Competition"

Level : College

Organizer : Department of Chemistry

Date : 13th February, 2026

Participants : All B.Sc. & M. Sc. Students
Male-13, Female-39, Total- 54

Report : Organized magical experiments competition for
B.Sc. students by the department of chemistry.

Subject: Permission to organize "Magical Experiments Competition" on the occasion of chemistry carnival 2026

Respected Sir,

The Department of Chemistry proposes to organize a "Magical Experiments Competition" on the occasion of Chemistry Carnival 2026. The objective of this competition is to develop scientific curiosity and creativity among students by demonstrating interesting and safe chemistry experiments that appear magical but are based on scientific principles.

The competition will be conducted under the supervision of faculty members, ensuring that all safety guidelines and laboratory rules are strictly followed. Required materials and safety precautions will be arranged by the department.

We kindly request your permission to conduct this event as a part of Chemistry Carnival 2026. We assure you that the program will be organized systematically and in accordance with college norms.

We look forward to your kind approval.

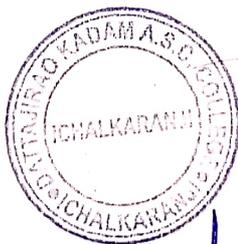

Thanking you.

Yours faithfully,

Dr. D. A. Kumbhar
HEAD,

Department of Chemistry,
Dattajirao Kadam Arts, Science
& Commerce College,
ICHALKARANJI.

NOTICE

All B.Sc. and M.Sc. students are hereby informed that the Department of Chemistry is organizing “Chemistry Carnival 2026” from 13/02/2026 to 17/02/2026.

As part of the event, **Poster Presentation, Magical Experiments, and Chemistry Quiz competitions** will be conducted on Friday, 13/02/2026, from 10:30 a.m. onwards to enhance conceptual understanding and practical skills.

Students are encouraged to actively participate and make the most of this learning opportunity.

Respected Sir,

I am pleased to invite you as Evaluator Person for "Magical Experiment Activity". The Magical Experiment activity will be held at our college under Department of Chemistry on **Friday, 13th February, 2026** between 11.00 am to 12.00 pm.

We believe that your participation as resource person in this activity would be a great opportunity for us. Your thoughts, expertise and experience enable to gain knowledge

to one and all. We look forward to your presence and guidance.

Thanking you,

Yours Faithfully

DEPARTMENT OF CHEMISTRY

Final Report

The Department of Chemistry of Dattajirao Kadam Arts, Science and Commerce College, Ichalkaranji successfully organized a "Magical Experiments Competition" on the occasion of Chemistry Carnival 2026. The event aimed to create scientific awareness and generate interest in chemistry by presenting fascinating experiments that appear magical but are based on fundamental chemical principles.

The competition was conducted under the guidance of the Head of the Department and faculty members. Students from various classes actively participated and demonstrated innovative experiments such as color-changing reactions, density-based experiments, acid-base indicators, and safe exothermic reactions. Each experiment was explained with proper scientific reasoning to highlight the chemistry behind the "magic."

The program began with a brief introduction about the importance of experimental learning in chemistry. Participants were evaluated by a panel of judges based on creativity, clarity of explanation, scientific accuracy, safety measures, and presentation skills.

The competition received an enthusiastic response from students and faculty members. It not only enhanced students' practical knowledge but also improved their confidence, communication skills, and scientific thinking. Winners were awarded certificates and prizes, and participation certificates were distributed to all contestants.

Overall, the Magical Experiments Competition was a great success and fulfilled its objective of making chemistry enjoyable, understandable, and engaging for students. The event truly reflected the spirit of Chemistry Carnival 2026 and promoted a positive scientific temperament among participants.
