Wallpaper Presentation on Social Media

Report

Date-29/01/2025

A poster presentation on the topic 'Social Media Shaap Ki Varadaan' was organized by the Department of Economics on 29/01/2025. The program was inaugurated by Dr. A.H. Bogulwar, Head of the Department of Economics. In the introduction, the students were guided on how social media is important in the light of the times, how today's students are using social media, how much it should be used and for what purpose. College Principal Dr. S.M. Maner, who was the chairman, inaugurated the program and while guiding the students, said that social media has become synonymous with students and humans over time. People today are doing everything through social media.

Students are seen using social media to a large extent, so it is difficult to say whether social media is a curse or a blessing in these days. If students use social media for knowledge, it will be used in a better way. In the long run, if social media is used for good purposes, it will be beneficial. Students have been guided on many aspects such as the advantages and disadvantages of social media. Prof. S.G. Gavandi expressed his gratitude for the program, gave the vote of thanks for the program. Dr. Varsha Shinde conducted the program. Prof. Shefali Patil, Prof. A.D. Attar and students and faculty members were present in large numbers for this program.
