Report on

"Alumni Interaction and Felicitation"

The Department of Science hosted an "Alumni Interaction and Felicitation" event on 13th September 2024 in honor of Mr. Harish Arjun Redekar, an alumnus from the 2019-20 Batch, for his remarkable achievement of qualifying the SET exam and pursuing a Ph.D. in Physics. The event saw the participation of 35 students from B. Sc. I, II, and III. The event commenced with a welcome address by the Dr. V. V. Ganbavle (Head of Department, Physics), who highlighted the importance of alumni engagements and congratulated Mr. Harish Redekar for his academic accomplishments.

During the interaction session, Mr. Harish shared his journey and experiences, offering valuable insights into the preparation required for competitive exams like SET and the opportunities in pursuing higher education in Physics. He encouraged students to aim high and stay determined in their academic endeavors. The students actively participated, engaging in a lively Question & Answer session with Mr. Harish, where they inquired about exam preparation strategies, research opportunities, and career prospects in Physics.

The event concluded with a felicitation ceremony, where Mr. Harish was honored with a token of appreciation by the Dr. V. V. Ganbavle sir for his outstanding achievements and contributions to the field of science. The event was a great success, providing students with inspiration and guidance for their future academic pursuits.

To,

The principal

Dattajirao Kadam Arts, Science, and Commerce College, Ichalkaranji.

Subject - Request to arrange an "Alumni Interaction and Felicitation" of Mr. Harish Arjun Redekar (Alumni 2019-20 Batch).

Respected Sir,

I am writing to formally request your permission to arrange an **"Alumni Interaction and Felicitation"** for Mr. Harish Arjun Redekar, an esteemed alumnus of the 2019-20 batch, on **13th September 2024** at our institution. Mr. Harish Redekar has made significant contributions in his professional field and has been an inspiration to many of his juniors. His interaction with the current students would provide invaluable insight into the real-world challenges and opportunities awaiting them post-graduation. Furthermore, it would be a moment of pride for our institution to felicitate him in recognition of his achievements. Thank you for your time and consideration. We hope for a positive response.

Regards,

permission
