Date: 16/10/2024

To,

The principal

Dattajirao Kadam Arts, Science, and Commerce College, Ichalkaranji.

Subject: Request for Approval to Organize an Online Game-Based Quiz
Competition (Kahoot!)

Respected Sir,

The Department of Physics is pleased to inform you that on the occasion of the "First National Space Day" on 23rd August 2024, we propose to organize an "Online Game-Based Quiz Competition" using the interactive platform **Kahoot!** This event is planned to be held on **28th August 2024** and will be open to all **B. Sc. students** of the college. We kindly request your approval and support to proceed with the arrangements for the event. The details of the competition, including rules and registration process, will be shared with the students after your consent.

We hope this event will be an engaging way to celebrate National Space Day and inspire students to delve deeper into the mysteries of space.

Looking forward to your kind approval.

Yours sincerely,

permission
granted

Notice

Subject: Online Game-Based Quiz Competition on Kahoot!

The Department of Physics is excited to announce an **"Online Game-Based Quiz Competition"** on the occasion of the **"First National Space Day"**. The quiz will be conducted using the interactive platform **Kahoot!** and is open to all **B.Sc. students**. This fun and educational quiz aims to inspire students and provide an engaging way to explore the fascinating field of space science. Exciting prizes will be awarded to the top performers!

Interested students can register their name to Physics Department. The deadline for registration is 25th August 2024. For more information, contact the Department of Physics.

Details of the Competition:

- **Date:** 28th August 2024 **Platform:** Kahoot! (Online)
- **Topics Covered:** Space exploration, astronomy, and advancements in space science

Don't miss this opportunity to test your knowledge and celebrate **National Space Day!**

Report on Online Game Based Quiz Competition (Kahoot!)

The Department of Physics successfully organized an **Online Game-Based Quiz Competition** on **28th August 2024** to commemorate the **First National Space Day**. The program was conducted using the interactive platform **Kahoot!** and witnessed enthusiastic participation from students across the **B.Sc. program**.

The event commenced with an inaugural ceremony graced by **Principal Dr. Maner**, who officially inaugurated the program. In his address, he lauded the efforts of the Physics Department in organizing such an innovative and engaging initiative to celebrate National Space Day. He also extended his best wishes to the participating students, emphasizing the importance of space science and its growing relevance in today's world.

The quiz focused on topics related to **space exploration, astronomy, and advancements in space science**, encouraging students to test their knowledge and curiosity in the domain. A total of **63 students participated** in the competition, showcasing their enthusiasm and competitive spirit. Additionally, **64 students attended** the program, making it a well-received event within the department.

The program concluded with a prize distribution ceremony to honor the top performers. The prizes were distributed by distinguished faculty members, including **Dr. V. V. Ganbavle, Prof. D. A. Yadav, and Prof. D. J. Mungare**. They commended the winners for their outstanding performance and encouraged all

participants to continue exploring the vast and fascinating field of space science. The quiz competition served as an excellent platform for students to engage in a fun and educational activity while celebrating the spirit of National Space Day. It fostered a sense of curiosity and excitement among students, motivating them to delve deeper into the mysteries of the universe.

The event concluded on a high note, with positive feedback from participants and attendees. The Department of Physics expressed its gratitude to the principal, faculty members, and students for their support and participation, which contributed to the event's success. This program not only highlighted the importance of space science in modern times but also provided students with a memorable learning experience. The Department looks forward to organizing more such initiatives in the future to inspire and empower students.
