Report on

## "Soft Skills and Interview Techniques"

The Department of Career Guidance and Placement Cell under the Paris Sparsh Scheme of Shri. Venkateshwara Mahavidyalaya, Ichalkaranji organized a two-day training program on **"Soft Skills and Interview Techniques"** for students on **24<sup>th</sup> and 25<sup>th</sup> February 2025**. Seven students from B. Sc. III (Physics) were attended the training program. The objective of this program was to equip students with essential communication skills, personality development, and interview strategies, which are crucial for their professional careers. The program commenced with an inaugural session, where the Principal of Shri. Venkateshwara Mahavidyalaya, Ichalkaranji, along with distinguished guests, emphasized the importance of soft skills in today's competitive job market.

Expert trainers and HR professionals conducted interactive sessions covering resume writing, group discussions, mock interviews, and corporate etiquette. Various activities such as role-playing, public speaking exercises, and confidence-building techniques were also included to enhance students' practical understanding. The second day focused on one-on-one interview simulations, where students received personalized feedback on their strengths and areas for improvement. The session was highly engaging and encouraged students to actively participate. The program successfully boosted students' confidence and prepared them for job placements. Overall, it was a well-structured and impactful initiative, benefiting the students by bridging the gap between academic knowledge and professional expectations.
