Date: 07/01/2025

To,

The principal

Dattajirao Kadam Arts, Science, and Commerce College, Ichalkaranji.

Subject: Permission to visit the "Space on Wheels (अंतरिक्ष महायात्रा)" Program.

Respected Sir,

We, the students of B. Sc. III (Department of Physics), humbly request your permission to attend the "Space on Wheels (अंतरिक्ष महायात्रा)" program organized by ISRO, scheduled to be held on **11th January 2025** at "Vyankatrao Highschool and Jr. College", Ichalkaranji.

This program is an excellent opportunity for us to explore and learn about India's achievements in space science and technology. It will enhance our knowledge through interactive exhibits, models of satellites and launch vehicles, and engaging activities.

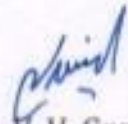

Program Details:

- **Date:** 11th January 2025
- **Time:** 10:00 AM to 4:00 PM
- **Venue:** Vyankatrao Highschool and Jr. College, Ichalkaranji, Campus.

We kindly request your approval and guidance to proceed with the arrangements.

Yours sincerely,

permission
granted

Notice

✦ "Space on Wheels (अंतरिक्ष महायात्रा)" Program ✦

We are excited to announce that Vyankatrao Highschool and Jr. College, Ichalkaranji will host the renowned "Space on Wheels (अंतरिक्ष महायात्रा)" mobile exhibition by ISRO. This educational program is designed to inspire students and provide insights into India's achievements in space science.

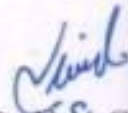

Program Details:

- **Date:** 11th January 2025
- **Time:** 10:00 AM to 4:00 PM
- **Venue:** Vyankatrao Highschool and Jr. College, Ichalkaranji, Campus.

Highlights of the Program:

- Interactive displays of ISRO's missions like Chandrayaan and Mangalyaan.
- Models of satellites, launch vehicles, and other space technologies.

This is a golden opportunity to learn and explore the fascinating world of space science. Don't miss out!

Report on

Visit to "Space on Wheels (अंतरिक्ष महायात्रा)"

On **January 11, 2025**, the **B. Sc. III students** had the unique opportunity to visit the '**Space on Wheels**' exhibition at Vyankatrao Highschool and Jr. College, Ichalkaranji an initiative by the Indian Space Research Organisation (ISRO) in collaboration with Vijnana Bharati (VIBHA). This mobile exhibition is designed to promote space science awareness and ignite curiosity among students by bringing India's space achievements directly to educational institutions and the public. 'Space on Wheels' is a mobile exhibition housed within a specially designed bus, featuring interactive displays and models of ISRO's significant missions, including Chandrayaan and Mangalyaan. The exhibition aims to provide insights into India's space endeavors and inspire students to consider careers in space science.

During the visit, students explored various exhibits showcasing models of launch vehicles, satellites, and communication systems. They participated in interactive sessions that provided practical learning experiences about space technology and ISRO's missions. Additionally, the exhibition included competitions such as quizzes and model-making to test students' knowledge and creativity. The visit offered students a comprehensive understanding of India's advancements in space technology. They gained insights into the challenges and successes of missions like Chandrayaan and Mangalyaan, fostering a sense of national pride and motivation to contribute to the field of space science.

Students expressed enthusiasm about the hands-on experience and the opportunity to interact with detailed models of spacecraft and satellites. The interactive nature of the exhibition made complex scientific concepts more accessible and engaging. The 'Space on Wheels' exhibition provided an invaluable educational experience, enhancing the students' understanding of space science and technology. Such initiatives by ISRO and VIBHA play a crucial role in inspiring the next generation of scientists and engineers.
