Subject: Permission to organize "Alumni Interaction Program" for B. Sc. students.

Respected Sir,

I respectfully request permission to organize an **Alumni Interaction Program** for **B.Sc. I, II and III year students** of the Physics Department.

The program is planned with the objective of providing academic guidance, career orientation and motivation to our undergraduate students. The alumni invited for this interaction are from the **B. Sc. III Physics batch of the academic year 2024-2025**, who will share their academic experiences, higher education opportunities, competitive exams preparation and career paths in physics and allied fields.

The proposed details of the program are as follows:

Program: Alumni Interaction

Participants: B.Sc. I, II & III year students

Date: 22nd December 2025

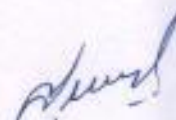

Time: 12:00 PM

Venue: Laboratory of Physics Department

I kindly request you to grant permission for conducting the above program.

Yours sincerely,

Regards,

(Dr. V. V. Ganbavle)

Notice

All the students of B.Sc. I, II and III year are hereby informed that, the Department of Physics is organizing an Alumni Interaction Program. The alumni participating in this program are from the B. Sc. III Physics batch (Academic Year 2024-2025). The session will be highly beneficial for understanding career opportunities, higher studies, competitive examinations and real academic experiences.

Program Details:

- **Event:** Alumni Interaction Program
- **Date:** 22nd December 2025
- **Time:** 12:00 PM
- **Venue:** Laboratory of Physics Department

All students are requested to be present on time and actively participate in the interaction.

Report on

"Alumni Interaction Program"

The Department of Physics successfully organized an Alumni Interaction Program for B.Sc. I, II and III year students. The objective of the program was to provide academic guidance, career awareness, and motivation through interaction with recent alumni.

A total of 9 alumni from the B. Sc. III Physics batch (Academic Year 202420-25) participated in the program. The alumni were Miss. Anushka, Miss. Dipti, Miss. Kulsum, Miss. Madhura, Mr. Pawan, Miss. Tejswini, Mr. Omkar, Miss. Sumati and Miss. Aditi. They shared their academic experiences, preparation strategies, challenges faced during graduation and insights about higher education and career opportunities in physics and related fields.

The program witnessed active participation from 21 students across B.Sc. I, II and III years. Students interacted enthusiastically with the alumni and clarified their doubts regarding studies, competitive examinations, and future career paths.

Overall, the program was informative, motivating and beneficial for the students. The interaction helped bridge the gap between current students and alumni and encouraged students to plan their academic and professional journey more effectively.
