Date: 01/07/2025

To,

The principal

Dattajirao Kadam Arts, Science, and Commerce College,

Ichalkaranji.

Subject: Request for Permission for Collaborative Research Work.

Respected Sir,

I am requesting your permission to conduct collaborative research work with Dr. Siba Prasad Das (Research Professor, Shivaji University, Kolhapur) for a period of three days, from 3rd July 2025 to 5th July 2025.

This collaboration is expected to significantly contribute to ongoing academic and research efforts in the department, and will also enhance inter-institutional academic relationships. The research focus aligns with our institutional goals and will add value to our academic output.

We assure you that all academic responsibilities of Dr. Siba Prasad Das will be managed appropriately during this period.

Kindly grant the necessary permission and oblige.

Thanking you,

Yours sincerely,

(Dr. V. V. Ganbavle)

Report on

"Albert Einstein: Life and Legacy"

A guest lecture on "Albert Einstein: Life and Legacy" was organized at our college on 5th July 2025 with the objective of providing students and faculty members an opportunity to interact with an eminent academician and gain insights into the life, contributions, and legacy of one of the greatest scientists of the modern era. The programme commenced with a formal welcome to Dr. Siba Prasad Das, the invited expert, by Dr. Sagar Sir. This was followed by an introduction of Dr. Das by Dr. Ganbavle Sir, who highlighted his academic and professional achievements and introduced him to the audience.

Dr. Siba Prasad Das delivered an informative and engaging expert lecture on Albert Einstein, his scientific journey, major contributions, and lasting legacy. His presentation provided the students with valuable academic insights and encouraged them to appreciate the historical and scientific development of modern physics. During the session, Dr. Das also interacted with the students and responded to their queries, making the lecture highly engaging and informative.

Following the lecture, Dr. Das shared his academic and professional experiences from different countries with the faculty members. The interaction provided an enriching opportunity for faculty members to exchange ideas and learn from his international academic experiences. The guest lecture was a valuable academic activity that broadened the students' understanding of the scientific contributions and legacy of Albert Einstein. It also provided meaningful interaction between the students, faculty members, and the invited expert. The programme concluded on a positive and inspiring note, with appreciation expressed to Dr. Siba Prasad Das for his valuable time, expertise, and guidance.
