Physics Fair - 2025

Report on "Poster Presentation"

The Department of Physics, D. K. A. S. C. College, Ichalkaranji organized a **Poster Presentation** on 30th December 2025 as part of the celebration of "100 Years of Quantum Mechanics". The event aimed to encourage students to visually present fundamental concepts, historical milestones and modern applications of Quantum Mechanics in a creative and scientific manner. Students from **B. Sc. I, II and III** actively participated in the competition by preparing informative posters on topics such as wave-particle duality, Schrödinger's cat, save energy, Black hole and applications of quantum theory in modern technology. The competition provided a platform for students to enhance their conceptual clarity, creativity and scientific communication skills.

The posters were evaluated by a panel of judges based on conceptual accuracy, clarity of explanation, visual presentation, originality and confidence during explanation. Participants confidently explained their posters and answered questions raised by Dr. S. S. Patil and Dr. S. V. Mulik reflecting their depth of understanding. After thorough evaluation, the results were declared as follows: **Miss. Arya Ravan (B. Sc. I)** secured the **First Rank**, **Mr. Sajid Lodhe (B. Sc. I)** secured the **Second Rank** and **Miss. Revati Nilgare (B. Sc. I)** secured the **Third Rank**.

A total of **26 students** participated in the competition. The overall quality of posters was commendable and the event successfully promoted peer learning and academic enthusiasm among students. The competition concluded with an appreciation of participants and judges. The Poster Presentation Competition proved to be an effective academic activity that strengthened students' interest in Quantum Mechanics.
