Study Visit Report (2025-2026)

Date: 14/02/2026

The Department organized a one-day study visit on 14th February 2026 for undergraduate students with the objective of providing academic exposure and practical learning through field observation. A total of 18 students participated in the visit, including 15 girls and 3 boys under the guidance and supervision of Dr. V. S. Pawar, Mr. S. D. Pathan and Dr. S. S. Kumbhar. The journey began early in the morning at 4:00 AM from the college campus. The travel route covered "Ichalkaranji-Kolhapur-Gaganbavda-Malvan-Devbagh-Sindhudurg-Ichalkaranji" allowing students to observe diverse geographical features, coastal ecosystems and historical locations along the Konkan belt.

During the visit, students were given opportunities to explore the coastal environment of Malvan and Devbagh, understand the geographical significance of the Sindhudurg region and engage in discussions related to environmental awareness, tourism management and local culture. The faculty members provided continuous academic guidance and ensured discipline and safety throughout the journey. The visit proved to be informative, interactive and enriching helping students connect classroom concepts with real-world observations. After successfully completing the study tour and returning via the same route, the group safely reached back on 15th February 2026 at 1:00 AM. Overall, the study visit was well-organized and achieved its intended academic and experiential learning objectives.
